Soil Erosion Camp Will Be Occupied by 200 Men

BUILDINGS NEAR UPLAND TO HOUSE PROJECT WORKERS

Long-Time Program of Soil Development To Start Next Month

More than 200 men are to be placed in the soil erosion and conservation camp on Arrow highway between Upland and Cucamonga by the middle of next month, if plans announced today are realized.

The buildings were erected more than a year ago. A local soil conservation committee was formed to sponsor the project and everything has been in readiness for many months. John Klusman, Cucamonga, in close touch with the situation, was advised yesterday that the date has been tentatively set for arrival of men. Men now in forestry and CCC camps in the county are to be brought to the Upland camp.

The soil erosion and soil conservation work is in connection with a long-time program of building up the soil, preventing its erosion and in conserving water. It is one of the few such projects in the southland and much interest is being shown by citrus growers in the program.

Grier Wins Victory in Relief Proposal As 300 County Supervisors Give Support

C. E. Grier, Upland, chairman of the county board of supervisors, won an important victory in Sacramento yesterday. As the result of Mr. Grier's determined presentation of a program to revise the existing state relief set-up, supervisors of California's counties voted to approve the measure. This approval is expected to result in favorable consideration of the proposal when it is presented to the state legislature for a vote.

Three hundred delegates were present for the twenty-seventh annual convention of the Supervisors Assn. and Mr. Grier as given prolonged applause after the vote was made by acclamation.

One of the major features of the recommended program is that it makes no distinction between employables and unemployables.

Whereas it heretofore has been the counties' obligation to care for unemployables, counties would ge shared equolly by state for this class and employables under the new program, up to a cost of five cents per $100 assessed valuation. From this point until relief needs mount to 16 cents per $100 valuation, costs would be shared equolly by state and county, with the state assuming all demands beyond that point, which would constitute an emergency situation.

In submitting the committee report, Chairman Grier emphasized that the counties under the proposed system would establish "certain limits of future cost," against the alternative of assuming "whatever uncertain costs may be forced upon them" by dividing case loads into employables and unemployables.

EASTER CANTATA ON SUNDAY NIGHT

Upland Oratorio Society Will Present "Seven Last Words of Christ"

The Upland Oratorio society is presenting "The Seven Last Words of Christ" by Dubois on Sunday evening in the First Methodist church at 8 o'clock. The soloists for the evening will be Mrs. Dorothy Hinschler, Park Ross of Pomona and Archie Moore, all well known and favorite singers of this community. This dramatic oratorio has been given by the Pomona college choir many times in the past, but is being presented for the first time by this Upland society.

The director, Rev. Lester Hostetler, as well as the singers and accompanists have spent much time in faithful practice and it is hoped the public will enjoy the presentation. Miss Alice Hostetler will accompany the group on the organ. A silver offering will be taken to defray necessary expenses.

This group was organized some time ago and welcomes anyone into its organization who is interested and willing to give time and practice to the development and study of good music. About 50 members are presenting this Easter cantata.

FRANCHISE GIVEN ON NEW RAIL SPUR

City Council Approves Santa Fe Request—Well Will Be Cemented

Upland city council last night approved a franchise asked by the Santa Fe railway for a spur line on Stowell street, ordered cementing of the casing in the city's No. 1 well on Twenty-sixth street west of Mountain avenue and in general approved the flood control work as it is being done on West Twenty-fourth street.

The franchise was sought by the Santa Fe to permit additional trackage and a better arrangement of the rails in connection with the new building of the Mountain View Fruit association. The franchise is for 30 years.

To prevent the city's well from caving in, Richard G. Manley, city service manager, recommended that the walls be cemented. Cost of the work will be approximately $500.

Mrs. L. A. Weller protested to the council two weeks ago about the way the flood control work being done on West Twenty-fourth street adjacent to her citrus grove. She went on record as holding the city responsible for any good damage that might be incurred.

After an investigation by Mr. Manley and City Attorney Edward E. Gray it was pointed out that the city was not negligent in construction of the storm drains and that the project in general was such that the city would not be liable.

The council gave the Martin United shows permission to come here for five days at a fee of $5 a day. The shows willl not be permitted on Sunday, the council decided.

Jury Returns Open Verdict in Death Of Davis in Crash

No responsibility was placed for the fatal auto accident on Foothill boulevard, Cucamonga, Sunday by an inquest jury Wednesday. An inquest was held over the remains of William Davis, who was killed in a head-on crash. Mr. Davis, accompanied by Mrs. Davis, was driving one machine while the other car was piloted by James Hendricksen of Los Angeles.

On the inquest jury were Thomas E. Howarton, George Stamm, Ellery Wright, H. C. Meek, E. O. Bowlen, Earl Hawthorne, E. W. Henry and Leigh Thompson.

Funeral services for Mr. Davis were held this afternoon.

Three Permits for Building Are Issued

Three buillding permits have been issued this week.

Keith Koehler was given a permit to make additions and alterations to his residence on West Twenty-second street. W. H. Monroe is making repairs at his residence, 1369 West Ninth street, and R. R. King was given a permit to remodel a store building on Foothill boulevard at Fifth avenue.

Dog Owners Warned To Keep Pets Tied

Warning to owners of dogs to keep them tied up was issued today by Police Chief Ernest C. Mehl, who reminded pet owners that the dog quarantine is still in effect.

Any dogs found running loose are subject to be destroyed, he said this being in keeping with a precaution against the spread of rabies. Several dogs have been destroyed since the quarantine became effective March 9.

Upland 20-30 Club Joins in District Meeting in Ontario

Members of the Upland 20-30 club canceled the regular meeting Tuesday evening and attended a meeting of sub-district No. 2 held in Ontario, with members present from the clubs in Pomona, Azusa and Alhambra. A program of entertainment numbers was presented during the meeting.

During the business session plans were made for participation in the Southern California district convention to be held in San Bernardino on Saturday and Sunday. In addition to the business sessions there will be a banquet with special entertainment Saturday night and sightseeing trip and a luncheon Sunday.

Vernon Shifflet is the convention delegate from the Upland club.

During the sub-district meeting Tuesday evening the Pomona club delegation told of the big baseball tournament the club is sponsoring, claiming it to be the largest baseball tournament in the world.

The Upland club will meet in regular session at the Upland inn next Tuesday evening it was stated by the club president, Harvey Gallaugher.

905 State Employes Residing in County

In this county are 905 state employes. San Bernardino county is fourth in the state from the standpoint of number of state employes among its residents. Sacramento, Los Angeles and Sacramento counties are ahead of this county.

There are 14,916 men and 5,391 women employed by the California state government. These figures do not include persons employed by the University of California, the state relief administration, the superior courts or the state legislature.

Of this total of 20,307 state employes, 17,652 hold full time positions, 1,877 are doing part-time work, and 778 work on a seasonal basis.

One of Victims of Crash Unidentified

One of the three men killed in the auto-train collision on Arrow highway near Rialto Tuesday has not been identified, his photograph and finger prints being sent to all parts of the country.

Driver of the auto apparently attempted to beat the train to the crossing, according to reports. The two identified victims were Donald L. Miller and Jack Austin.

CITRUS PACKING AND PRICES GOOD

Shipments of Fruit From Here At Peak With Market Better Than 1936

Shipments of oranges and lemons from the Upland district are at the peak of the harvest season and the fruit is being sold at a market higher than in 1936.

While the January frost reduced the volume of citrus, enough marketable oranges and lemons are being handled to nearly satisfy the nation's markets at "satisfactory" returns.

Work of picking and packing oranges and lemons will be continued on a "peak" basis for several weeks. Picking crews are busy and hundreds of men and women are working on regular schedule in packing and shipping the district's crop.

COOPERATION IN FARM ACTIVITIES BRINGS SUCCESS

Farm Bureau Head Tells Group Of 200 Here Importance Of Uniting

R. O. PRICE PRESIDES

County Organization in Annual Meeting—Leaders Tell Views

Organization of ranchers and full cooperation in marketing is the most logical solution to the profitable production and distribution of the nation's food, President R. W. Blackburn of the California Farm Bureau told nearly 200 persons in the Upland Woman's club house last night.

He was the principal speaker at the annual meeting of the San Bernardino County Farm Bureau. The Upland session was one of the largest attended and the success of the meeting is due to the increased enthusiasm among local and county ranchers and to the leadership of R. O. Price, Upland, president of the county bureau.

Orderly production and distribution are the two aims of the American Farm Bureau federation, these being equally advantageous to the producer and consumer, Mr. Blackburn declared in offering an effective appeal for continued and further cooperation.

That cooperation brings good results, he cited the success of California's citrus and walnut industry. An important factor in bringing about cooperation has been the farm bureau, Mr. Blackburn said. He also pointed out the organization has been active in getting needed legislation adopted.

Mr. Price presided. Hobart Alter, vice president, also assisted in the meeting. Mr. Price today commended the Upland Woman's club for the efficient manner in which the dinner was served.

Attending the meeting were ranchers and other agriculturists from all parts of the county, this district being well represented.

Methodist Men Will Hear Rev. Warren

Men of the Metholist church will unite in Fellowship hall tonight for a dinner and program. Principal speaker will be Rev. Bertram A. Warren, pastor of the Chino Methodist church.

Frequently the Men's class meets for a social evening and tonight's event will be for all interested persons, according to Walter W. Horak, president of the class. Dinner will be served at 6:30 o'clock.

ORCHARD HEATERS IN DOUBLE DUTY; APRICOTS SAVED

40-Acre Plot Heated Early Today by Lucas Ranching Company

TEMPERATURE HITS 31

Few Citrus Groves Also Heated as Jack Frost Makes Belated Appearance

Having already saved a citrus crop, orchard heaters early this morning protected apricot blossoms from freezing temperatures. In the Lucas Ranching Co. orchard, Turner avenue and Fourth street, temperature was 31½ degrees at 3:30 o'clock this morning. Firing started at that time and continued two hours.

In other spotted sections, temperatures neared the danger point and on at least two citrus groves in Alta Loma orchard heaters were lighted. A thin cloud of smudge smoke darkened the sky for a short time this morning as a little reminder that Jack Frost is still present.

As far as is known this is the first time orchard heaters have been used in apricot orchards and only on rare occasions have heaters have ever been used to save lemons fruit.

Heaters were taken from citrus groves this week by the Lucas Co. and placed in the apricot orchard. Prospect for a crop is unusually good and the company officials were cautious against damage by cold. The heaters were effective in their second job of the winter season and they will be left in the orchard until all danger of frost is past.

Death Threats Are Sent Coroner, Two Colton Residents

Notes threatening death have been received by R. E. Williams, county coroner, and two other residents of Colton.

The notes were found on the doorsteps at the homes of the three men. Writers of the notes, believed to be youths, have not been apprehended. Besides Mr. Williams those receiving the threats are F. E. Barnes and C. E. Case, the latter two being barbers.

Supreme Court Disscussed

Wiley W. Mather Points Out to Lions That Personnel, Procedure Changed in Past

The Supreme Court is not a "sacred cow" in America's government and there is no feature of the government that is so sacred it cannot be changed when the people's welfare is concerned, Wiley W. Mather, Chaffey junior college professor, declared at the meeting of the Upland Lions club in the Red Hill Country club house at noon yesterday.

Characteristically speaking he concluded his interesting discourse on the proposed changes in the supreme court with the declaration: "let's solve our problems with more light and less heat."

The supreme court gets its powers from congress and the high tribunal is not the independent judiciary many people suppose it is, Mr. Mather said. He also pointed out that the court has been "packed with picked judges at least four times in the past" and that congress on occasions has restricted the court's powers.

He discussed the supreme court from the standpoint, "Is a change necessary or desirable," and "if so, what method of change should be used and how far should it go?"

Members of the supreme court began practicing law before many of the modern improvements were introduced, Mr. Mather said. Prior to the start of the twentieth century, when the judges were young men, automobiles, radios and airplanes were not in common use and the nation had not developed industrially and commercially, the speaker pointed out. Advocates of a change see advantages in adoption of a more modern court procedure, he said.

In making recommendations to congress, President Roosevelt not only suggested advisability of placing younger men on the bench but also sought to speed up court hearings and to bring about early decisions on matters affecting national problems, according to Mr. Mather.

As to the method of making changes, the speaker suggested that congress could either permit changes in the court personnel or restrict the court's authority. A constitutional amendment, voted on in each state, was given as another method in changing the court.

At length Mr. Mather gave details in historical incidents to support the statement that court changes are not unusual, that congress has considerable authority over the court and that there are advantages and disadvantages of bringing about a change.

Harold Musser was program chairman with President E. C. Rosenberger presiding. Visitors included C. S. Musser, father of the program chairman; Douglas Sage and Carl Wilson.

Announcement was made that Rev. Rex E. Lawhead would enter the Citrus Belt council five-minute speaking contest as the local club's entry.

Council Denies Request To Change Zone Law; Suit Is Threatened by Land Owner

OFFICIALS DENY PLAN TO PERMIT EUCLID STATION

Council Adopts Resolution Against Request to Change Zone Law

Upland city council last night denied the request to change the zone law to permit a service station on Euclid avenue at Foothill boulevard, but if the plan of the owners of the property is realized an attempt will be made in the superior court to invalidate the zone law.

Frank Dale Healy, Claremont attorney, warned the council and a group of interested property owners that litigation would be started if the request was not granted.

Returning to the council chambers after the public zone law hearing in the J. B. Draper & Co. parlors, the city council adopted a resolution denying the request to change the zone laws.

Edward E. Gray, city attorney, said he would welcome a court case over the strength of the city's zone laws.

"Right from the start we anticipated such a decision from the council," Philip B. White, one of the co-owners of the property, said this morning. "We do not know now what our definite course of procedure will be. We have no hard feeling towar dthe city. This is just a plain business proposition. At the outset we decided to seek a peaceful change in the law to permit a station going in there. We were advised to take direct court action and not attempt to get local permission. We, however, had a plan for beautifying that corner as well as developing it into a business site. Now that the request has been denied, we will take the matter into court but we do not know just at present what procedure we will follow in filing the suit."

The city's zoning law was adopted in 1933. Foothill boulevard frontage, beginning at 165 feet east of Euclid avenue, is open to business. Only residences are permitted at the intersection of Euclid and Foothill.

Chaffey Plunge To Reopen on March 28

Chaffey's big swimming pool will be opened again for another season March 28.

With the arrival of cold weather in November, the pool was closed. Chaffey officials believe the weather man is about due to allow spring to come, hence the announcement that the plunge will be open soon.

700 GO TO SEA AS LECTURER TALKS

Alan Villiers Thrills Chaffey Audience With Account Of Travels

More than 700 Chaffey district residents went around the world in a novel fashion last night, Alan J. Villiers being the pilot of a tiny craft.

In the Chaffey junior college auditorium Mr. Villiers appeared as the first speaker in the new lecture and entertainment series at Chaffey. So vivid were his verbal and pictorial descriptions of terrific storms at sea that some of the audience rocked just as actually did the crew in the 555-day voyage.

Five reels of motion pictures were presented in the interesting travelogue. In this modern day most moving pictures are equipped with mecsanical sound apparatus. Last night's sound effects were far better than the usual theatre type. Mr. Villiers, himself was the "sound apparatus." The large audience really considered it a "thrilling" voyage, this statement being on the basis of the intense interest shown in the program.

Young in years but old in experience after having been "at sea" since 12 years of age, Mr. Villiers purchased the small sailing craft and named it "Joseph Conrad," after the author of sea stories. For many months he and his crew roamed the sea visiting ports in all parts of the world. The pictures and verbal description depicted the voyage.

Rainfall Record Is Swelled as Storms Boost Season Mark

Rainfall Record

District	Since Tues.	Season	Year Ago
Upland	1.88	31.88	13.82
Etiwanda	1.15	32.89	14.59
Cucamonga	.44	27.41	12.03
Alta Loma	.74	28.49	12.85

Brief, but heavy, a rain storm late Tuesday afternoon and evening resulted in more figures added to the season's rainfall record. The total for the season is more than twice a much as last year's record at this time. The current season began July 1.

CITY WELLS ARE AT RECORD LEVEL

Two Units on Twenty-Sixth Street Exceed Mark Of 1924

Rising to within 75 feet of the surface, the water level in two of the city's wells are at the highest point for at least 13 years and perhaps the highest for many more years.

Records of weekly measurements of all the wells have been maintained since 1924 and the figures for this week indicate the water is higher now than at any time since 1924. The extra large amount of water coming down San Antonio canyon and the unusually heavy rains are reasons for the steady climb in the amount of reserve water in the underground basin.

The level is expected to rise several more feet due to the late rains and general favorable conditions for increase in the underground basin. The two wells reaching the high point are on West Twenty-sixth street, being designated as wells Nos 1 and 2. They are north of the Chino basin. The basin serving those wells is small, according to Richard G. Manley, city service manager. Always during the winter season the level rises and then drops a short time later as pumping continues on an extensive basis.

Other wells owned by various irrigation water companies in the northern and western parts of the Upland district are reported to be at a high level. Outlook from the citrus grove irrigation standpoint is the best in many years.

From the standpoint of its domestic water supply, the city water department is able to serve a population much larger. No new wells will be needed for a long time, Mr. Manley said. Pipe lines have been enlarged and a huge reservoir has been erected within recent years, he said, explaining most of this work has been done with the cooperation of the WPA.

Oiling of Seventh and Second Is Scheduled

Oiling of West Seventh street from Euclid to San Antonio avenues and South Second avenue is scheduled for next week.

Placing of this surface covering on the two arteries marks the completion of their improvement. Work on other streets will be continued.

Mrs. R. C. Williams of 511 East Ninth street is enjoying a visit from her sister-in-law and nephew, Mrs. Barbara Rupp of Moundridge, Kan., and Edward Rupp, who is employed on the Topeka Journal. They expect to remain here for several weeks and will also visit with other relatives while here.

EUCLID RESIDENTS SEEK TO PROTECT AVENUE'S BEAUTY

Many Property Owners Protest Effort to Allow Business At Intersection

By their statements and by their presence at a public hearing on the local zoning ordinance, nearly 40 Upland residents last night sought to protect the beauty of Euclid avenue. Protests were offered against the proposed location of a service station at the southeast corner of Euclid avenue and Foothill boulevard on the grounds that if one station is allowed, service stations and other business will fill up the other corners of the famous intersection.

The hearing was held in the J. B. Draper & Co. parlors, the city council transferring it there due to the limited seating capacity of the council chambers. Mayor D. J. Cameron presided.

Frank Dale Healy, Claremont, attorney for Philip B. White and Hale P. Powers, owners of the proposed service station site, presented the request for a change in the law to permit a service station. He pointed out that the site would be beautified and the building would be erected in accordance with plans approved by the council.

Mr. Healy merely presented the request for amending the zone law to permit the station. He avoided argument.

Edward E. Gray, city attorney, reviewed the history of a building now on the service station site. The structure was allowed there only for the use of a real estate office, he said. The building was later abandoned and he declared that such abandonment made it impossible, in view of the zoning law, for any business to be conducted there.

Various individuals voiced their opposition to the service station project. Summary of some of the statements given at the hearing follow:

C. A. Baeuerlen: "Euclid avenue is an asset for the entire city. If you allow this station the Madonna of the Trail monument will be surrounded with a service station on each corner. We built on Euclid because of the avenue's beauty."

W. A. Mackay: "I have invested here because of Euclid avenue. This $15,000 station will depreciate value of all property on the avenue."

Mrs. Folinsbee Baxter: "Euclid avenue belongs to everyone. Why do we have to allow a filling station, then have it followed by a grocery store and then an eating place?"

H. S. Wilson: "There is no need for additional service stations. If $15,000 would be invested in a house there it would enhance the value of adjoining property and thus enable owners to sell adjoining property at a higher price."

Frank P. Dunbar: "I know from experience there are too many stations."

George Stamm: "The corner is already a dangerous one. More stations will increase the danger."

W. H. S. Black: "I oppose this request for three reasons: First, it will depreciate value of Euclid as a residential street; second, the station is not a necessity, and third, neither is it a convenience."

Mrs. Carol Hamilton: "I am representing the D. A. R. I know the monument would never have been placed there if there was any idea of a filling station being erected."

John W. Shepperson—In commenting on the remark that owners of the property would take the matter into court if necessary, he said: "Why not let the court decide it? If this station is allowed, you will open up every place for business—a hot dog stand on Thirteenth street or a bar on the next street."

TODAY'S BIBLE VERSE

"Hereby know we love, because he laid down his life for us."—I John 3:16.

"The Worm Has Turned"

The labor situation in the United States is vastly different than it used to be.

There is no disputing the fact that in years gone by—and one does not have to be such an old person to remember it—workmen in practically all industries were underpaid. The big corporations and "big business" in general paid ridiculously low wages. In fact, we recall that in some trades—and skilled trades, at that—the wages paid were not more than a third paid at this time. We refer to our own trade—that of printer. Thirty years ago the printer or linotype operator who drew twelve to fifteen dollars a week was getting "good pay." Of course, the cost of living was also much less in those days—but there was not the proportionate difference between wages and living expenses as now. We mean that workmen are receiving not only higher pay in these days, but also their pay is higher in proportion to the cost of living. In years past it was somewhat unusual for a workman to own a good home and to have it well furnished. This was not right—but it seemed there was nothing labor could do about it.

There were labor unions in some trades at that time, but they did not function as they do now. And it was no doubt the unjust treatment accorded the workmen in those years that has resulted—to some extent at least—in the attitude of labor toward industry at this time. Labor has been organizing in greatly increasing numbers until at present it seems true that "the worm has turned." And in some large industrial plants organized labor—and those who are apparently determined to "join the union"—have tied things up for many weeks. While labor was badly mistreated in past decades we believe it is just as true that labor is unreasonable in the methods it uses to attain its objectives at present. For instance, the "sit-down" strike is not only unfair, but it is unlawful. At the same time, not only the strikers and the concerns for whom they work are both losers, but many other thousands of workers and method of settling strikes while the men are at their work.

It has not been so long ago that there was much unfair propaganda against corporations—the idea that there was nothing good about them being spread throughout the land. It cannot be truthfully said that "big business" is all bad—and it is equally true that it has not been without fault. No doubt the "muck-raking" methods used are responsible to a very large degree for the present attitude of labor toward industry. There are ways in which neither industry nor labor has been fair toward each other.

Both sides should realize—and it is strange if they do not—that either one is helpless without the other. If there were no industries and other forms of business there would be no jobs for the millions who are now employed. There are too many ready to take sides against big business—regardless of what the facts might be.

To sum up the whole matter, it is "going to be just too bad" for the country at large if labor and industry do not get along better in the future than present conditions indicate. If there is to be a fight to the finish—what is there going to be left when the finish comes? There should be some body of men with authority to decide the disputes and when a decision is handed down both parties to the controversy should be willing to abide by that decision.

—o—

Agriculture grows and grows—at least, such is indicated by the growth of the Department of Agriculture in Washington. In the nation's capital 5800 employes now require 37 elevators to get to their places of work—and there are 4500 rooms reported as lining the Department buildings that contain seven miles of corridors. Four years ago the "mammoth Department building" was pointed to as a kind of vanity to the then President Hoover. But apparently the present administration believes in still "bigger and better" agriculture departments—at least in bigger ones. For now Agriculture has 1189 more rooms than Mr. Hoover could boast of—and it is larger by 222,900 square feet of floor space than the Commerce building. Farming—judging by the enlarged department in Washington—has certainly got to be a big business during the past few years. And now the President is promoting a "bigger and better" Supreme Court. Truly—he has great ideas of economizing.

—o—

Who is clamoring for another NRA—besides President Roosevelt? When the Supreme Court by a unanimous vote of its "nine old men" killed the blue eagle—surely a most peculiar variety of the bird—there was general approval of the decision throughout the United States. Scarcely a peep was uttered in its memory or in its defense during the last campaign. Even Hugh Johnson's threat to "crack down" on Henry Ford and others resulted in the tempestuous Mr. Johnson's resignation. The NRA codes were theoretical—not practical—and were certainly tough on the small businesses. The NRA straightened nothing out—and even the politicians were willing to forget the "vision" that turned out to be a nightmare. Still Roosevelt is again insisting on some kind of an NRA.

—o—

Why all this fuss about wanting a second race track in the Los Angeles area? Just as well have a second race meet at Santa Anita as to build up another plant—except that, of course, there are other promoters who would like a chance at the big money made off the betting. However, the promoters do not seem to get much encouragement for a second gambling enterprise of that kind. Nevertheless the strong protest from every community where a second track is proposed does not seem to discourage the promoters.

—o—

As the San Bernardino Sun remarks: "The trouble with this world is that usually the cooing of the dove of peace cannot be heard because of the barking of the dogs of war." Such is not the situation in this country—and it is to be hoped never will be.

—o—

One of the reasons a good many plans don't "pan out" is because they are unreasonable and impractical. Numbered among these are most of the get rich quick ideas. These are usually promoted by the fellow who has never been successful himself.

—o—

One of the great reasons people succeed is because they get along with others and make friends. Naturally, then, the among these are most of the get rich quick ideas. These are and keep friends.

Dreaming

I know a little school house where
Long years ago I played,
With noise and frolic rent the air,
And lifelong friendships made,
Provoked the teacher with my fun,
The cutup of my class,
Yet from those friendly hearts I wrung
A love that will not pass.

I dream beside my fire today,
And here in fancy see
The little schoolhouse, old and gray,
The lass who played with me,
The blush of health upon her cheek,
And ah, the fleeting bliss
Of thoughts we were too shy to speak,
The stolen childish kiss.

Today finds snowflakes in the sky,
And silver in my hair,
And thinking of the years gone by
With all their work and care,
I find still glowing in my heart
As it but yestermorn
A joy from which I would not part
Nor let my thoughts be torn.

The little school house on the hill
Will stand when I am gone,
There will be lads and lasses still,
And love and joyous dawn.
There will be rest beneath the trees
Where droning insects sung,
But, ah, the golden memories
Of days when I was young.

Home o' My Heart

My "House of Happiness" is now complete,
Foundation safely laid on Love's firm base;
No force from out earth's realm of space or time
Can move it hence, nor mar one single grace.

Its walls erect, upright on every side,
Like kind encircling arms enclose me round;
In this charmed spot I dwell, secure and calm,
Safe from the shafts of ill which seek to wound.

The gleaming window-panes reflect the glow
Of hidden fire the warm, bright heart of home;
And speak a message wondrous sweet to those
Who by Fate's law are ever doomed to roam.

And over all, God's mighty wing outspread,
Doth roof me in with all I hold most dear;
And through the door of kindly deeds, I'll share
My radiant joy with all who wander near.

The Rock

"Like the Shadow of a Great Rock in a Weary Land"—
I learned it long ago, the lovely line,
And though I felt its beauty, did not understand;
But now I know—those ancient words are mine.

One day I climbed a trail of desert land
Beneath a cloudless tropic sky,
And though my feet were scorching in the sand
The trail led ever on, so steep and high;
No breeze, no bloom, but coarse dry grass on either hand,
When suddenly the road turned there, close by,
The Rock. Its shadow on the weary land.

Remembered words! Immortal words; now clear,
And when I truly seek, I find Him close to me;
The hard road turns and the great Rock is near
With grateful shelter, rest, security.

While Easter Torches Burn

Alleluiah! Alleluiah!
Christ is risen from the dead!
Nature joins the happy chorus
With a wondrous beauty spread,
Over hills and plains and forests;
Slender buds and fragrant flowers
Lend a miracle of beauty
To the rhythm of the hours.

So may hope arise in newness
To our hearts, on Easter Day!
May the pall of doubt be scattered
When the stones are rolled away,
And our buried souls awaken
To abundant life—and turn
With new faith in resurrection—
While the Easter torches burn.

Gipsy Song

Star light and dew and the whispering wind,
In the tall sweet grass where I lie,
And a million stars that hang their lamps
On the black of the velvet sky.
A spider weaves a gossamer web
Across the face of the moon,
And an elfin cricket waked from his dream
Trills me a fairy tune.
Star light and dew and the whispering wind,
Forgot is the world of men,
And I sleep and dream in the tall sweet grass,
Till my heart grows young again.

SHE LOST 20 POUNDS OF FAT

Feel full of pep and possess the slender form you crave—you can't if you listen to gossipers.

To take off excess fat go light on fatty meats, butter, cream and sugary sweets—eat more fruit and vegetables and take a half teaspoonful of Kruschen Salts in a glass of hot water every morning to eliminate excess waste.

Mrs. Elma Verille of Havre de Grace, Md., writes: "I took off 20 lbs.—my clothes fit me fine now."

No drastic cathartics—no constipation—but blissful daily bowel action when you take your little daily dose of Kruschen.

Calico Salad Bowl

1 C. fresh boiled potatoes, diced; 1 C. cooked new carrots, diced; 1 C. cooked cauliflower, flowrets; 1 C. green peas or green beans; French dressing; onion juice, head of lettuce, mayonnaise.

Chill all vegetables thoroughly in refrigerator, marinated with French dressing to which a little onion juice has been added. Then arrange crisp lettuce in salad bowl, heap vegetables in the center and garnish with olives and top with a spoonful of mayonnaise.

French Dressing—1 tsp. paprika, 1 tsp. mustard, 1 tsp. salt, 1 tsp. sugar, 1-3 C. vinegar, 1 C. olive oil, 1 tsp. A-1 sauce.

Mix thoroughly in bowl or shake together in bottle. Shake well before using.

Garlic Bread

Slice French bread to bottom crust, but do not cut through. To 1-4 lb. butter add 1½ grated garlic cloves and cream well. Butter slices of bread and heat in a quick oven. Excellent with soups or vegetable salads.

Paper 110 Years Old Owned by Uplander

Issued 110 years ago, a copy of the National Intelligencer of Washington, D. C., is today the possession of W. M. Owen, 696 East Ninth street. It was purchased recently from a transient for 25 cents. He has had offers of $10 to sell the paper. The copy he has was issued Sept. 15, 1827.

Among the advertisements are offers to buy Negro slaves. The reading matter concerned international and local matters.

TRAFFIC SCHOOL PLANS DISCUSSED

Mass Meeting Results in Preliminary Steps for Class On Highway Rules

Establishment of a traffic school will be realized if the enthusiasm displayed at a meeting in Chaffey junior college this week continues. A "steering committee" was appointed, this group being given the responsibility to make definite plans for establishment of the school. On the committee are Chief of Police E. C. Mehl, Judges F. H. Jacobs and D. J. Burlingame of Upland and Judge James Sharp of Cucamonga, Judge Thomas Donnelly of Etiwanda, and law enforcement officers from other communities in the district.

Such a school will provide a means for the youths and the general public to become familiar with the traffic laws and general road rules. It is expected that Chaffey high school and junior college will take a prominent place in the venture.

That such a school is needed was strongly emphasized by Neils Neilson of the state division of highways. Deaths resulting from traffic accidents increased 12 per cent in California last year as compared with the number killed during 1935. In many states of the nation the death rate declined, he said, and pointed out that where traffic schools have been established a decline in the number of accidents has been noticeable.

Course in the proposed school would emphasize to those in attendance the importance of obeying the common laws of courtesy and in always being alert and the common laws of the highway The human element in driving would be emphasized.

Schools are being established in other places in the state, it being the plan to organize all of California in a unified movement to prevent traffic accidents.

Definite schedule for holding of classes and other details in connection with the school is to be formulated at a meeting of the committee and school officials soon. Norman S. Lawson of the Chaffey board of education presided at the public meeting. Among others from Upland in attendance were Chief of Police Mehl, Judge Burlingame, Earl E. Marsh, Dr. Earl E. Wenger, Frank Baxter,

'GIVE YOURSELF UP, GEORGE' As Told to Dale Austin

Yumpin, yiminy, I ban readin' ole George Bernard Shaw's stuff for years. I tink something wrong but not know what. George plenty funny sometimes. Other time not too good. But he got reputation you know and that help a lot. Shaw make many trips to Amerricky. When he come over the last time and stop off in Hollywood, they get plenty sore. You see George tink he can tell everyone what to do, how good or bum their work is, etc. George can "give it out, but he can't take it." When he started in on the Hollywood bunch they didn't like it. He made many enemies. Not many friends. They tell Shaw they did not like his act.

But George has bane foolin' the boys. Sava Botnaris, Jugoslavian sculptor, made a bust of Shaw awhile back. I read all about it in the paper. After he finished he asked George to put his fingers in the soft clay. I guess Shaw tink there would be a newspaper story about it so he did. By golly his fingers leave no mark. Then I guess George got worried too. He had an examination made under strong light. His finger tips had no lines. "It's a pity I didn't know about this before," Shaw said, "I would have chosen another profession." When Hollywood finds out get another job. What you tank?

Casting Exhibition Will Be Tomorrow

Fishing enthusiasts interested in knowing more about the art of casting will be given an opportunity to see a casting exhibition here tomorrow. Roy L. Haslett, "gypsy angler," will give a free demonstration at the city park, D street and Second avenue, from 11 a. m. to 2 p. m.

He will give instruction in fly and bait casting. Mr. Haslett has been here previously and his exhibitions have always been of interest to many anglers. He will give personal instruction as well as a general demonstration.

Bob Thompson, son of Dr. and Mrs. O. A. Thompson, who is returning by way of the Panama canal from a visit in Europe, has delayed his arrival home to accept an invitation for two weeks of fishing on the west coast of Mexico. He is accompanying friends made on the voyage to a point on the upper coast of the Gulf of California where there is excellent fishing.

Theaters, Programs For Week In Valley Given Review Here

Many Attending Upland Theatre's Fine Programs

As the result of consistent presentation of outstanding films, the Upland theatre is daily attracting crowds. For example, the movie house was filled almost to capacity Wednesday night and large crowds were also present last night for the first showing of "Love on the Run" and "Trail Dust." This program will be shown tonight and tomorrow. Clark Gable and Joan Crawford are the featured stars in "Love on the Run."

One of the greatest pictures of the season will be shown three days beginning Sunday. "Rembrandt," with Charles Laughton and Gertrude Lawrence, has attracted large crowds in previous southland showings. Also on the same program will be "The Devil's Playground," featuring Richard Dix, Chester Morris and Dolores Del Rio.

California Theatre Adds Latest Equipment

Outstanding pictures will now be shown at the California theatre by the latest type of sound equipment, installation of $5,000 worth of fixtures having just been completed.

Among the new equipment are additional power lenses and reproducing devices for presentation of clear and exact recordings.

Work of installing the new equipment was started several weeks ago. All the installations have now been completed and theatre officials are inviting the public to see and hear the latest in film productions.

"Swing High, Swing Low" Booked at Fox

Opening at the Fox theatre in Pomona on Sunday, "Swing High, Swing Low" comes in as the main feature, with Carole Lombard, Fred McMurray and Charles Butterworth featured. Reviewers list this one as an exceptionally bright and frothy comedy with music and the story matching closely the abilities of the stars. As the preview feature, "Time Out for Romance," with Claire Trevor and Micheal Whalen, is presented.

Showing for the final time Saturday night at the Fox is "The Great O'Malley," with Pat O'Brien, Humphrey Bogart and Sybil Jason, and the preview feature, "Family Affair," with Lionel Barrymore.

MRS. DUVALL NAMED P.-T. A. PRESIDENT

Junior High P.-T. A. Election Takes Place Following Assembly Program

Mrs. Clyde D. DuVall was elected president of the Upland Junior High Parent-Teacher association during the meeting held Tuesday afternoon in the school auditorium. Mrs. DuVall succeeds Mrs. Harold J. Stickney, who has successfully directed the activities of the association during the past year.

Other officers elected to serve with Mrs. DuVall are Edwin Dean, member of the faculty, vice-president; Mrs. Flyde L. Atwood, secretary; Mrs. James E. Goodban, treasurer, and Mrs. Chas. V. Benton, historian.

The officers will be installed at the evening meeting to be held in April, when a play will be given by the students.

Preceding the business meeting, the P.-T. A. members were guests of the students at an assembly held early in the afternoon, when motion pictures showing the vast electrical development, actual and potential, made possible by Boulder dam, were enjoyed.

The pictures were shown by C. E. Fenkenbinder, superintendent of construction for the Los Angeles Bureau of Power and Light, who was secured for the engagement by Mrs. E. H. Genrag.

Speaking in a way that held the interest of the students as well as the adults, Mr. Finkenbinder told of the great importance of conservation of water power and gave glimpses of future development through use of electricity.

At the conclusion of the lecture members of the Lyric club directed by Mrs. Ralph M. Myers of Ontario, sang two selections.

Sam, your brother's hair isn't anything like yours. It's fiery red, and yours is black. That seems peculiar, doesn't it?

No you see, my brother was born after my mother had her hair dyed.

Perhaps Napoleon Used This Razor; Perry Long Has It

If Perry O. Long, veteran local barber, had some way of proving a statement, an old razor he has would be highly priced. Perry is a collector of old razors.

"This one I got a short time ago from a fellow who said that it was used last by Napoleon," the comb and scissors expert said, carefully handling a big-bladed razor. Mr. Long said he couldn't dispute the man's word, but he would like to have some proof of Napoleon using it.

"They are mighty hard to get, you'd be surprised," he continued, in speaking of razors he has collected. "I have been collecting 'em for 30 years and I have only got nine old ones."

They are on display in his barber shop.

The razor reportedly used by Napoleon is equipped with a screw driver. Blades in the razor are changed with a screw and thus use of the screw driver is necessary.

Golden Wedding Day Is Celebrated at Riggs Home

The day to which they had long looked forward with eager pleasure, their golden wedding day, proved a happy time for Mr. and Mrs. Chas. F. Riggs, who celebrated their fiftieth wedding anniversary Tuesday, March 16, by holding open house at their home, 1306 West Eighth street.

Despite the continuous rain, approximately 100 relatives and friends called during the hours of 2 to 5 and 7 to 9 p.m. to offer their congratulations and to wish them many more happy years.

The home was beautifully decorated with a profusion of yellow spring-time blossoms, including jonquils, daffodils, golden ranuncula, etc., also baskets of lovely Easter lilies.

Mrs. Earl F. Riggs, a daughter-in-law, greeted the guests at the door and Mrs. Carl D. Riggs, another daughter-in-law, assisted Mr. and Mrs. Riggs in extending hospitality to those who called.

Centering the refreshment table in the dining room was a huge bouquet of pussy willows and daffodils, flanked by tall yellow candles. A beautifully decorated wedding cake, bearing the words "Fiftieth Anniversary" and topped with a basket of dainty confection flowers, also graced the table.

In the afternoon Mrs. Wm. H. Heady of Los Angeles and Mrs. C. O. Brott of Springfield, Mo., presided at the table, serving coffee and punch, ice cream and cake. In the evening hours, the Misses Geraldine and Virginia Riggs, granddaughters, presided at the table. Mrs. C. C. Springer of Laws and Mrs. C. O. Brott, cousins of Mrs. Riggs, were in charge of the refreshments.

Mr. and Mrs. Riggs received many lovely gifts and numerous greetings from friends and relatives in the east.

A special event occurring during the afternoon was recognition of the golden wedding day given in the Woman's Magazine program broadcast by KFI when Irving Kennedy dedicated a song to Mr. and Mrs. Riggs.

Mrs. Riggs, whose 80 years have passed her lightly, was charming in gray silk crepe with corsage of gardenias, and Mr. Riggs, who stands as straight as any of his six stalwart sons, was a happy bridegroom for the day.

Among the friends and relatives registering were Mr. and Mrs. George Besselman and Donald and Marion Besselman, Mrs. Laura Holsclaw, Mrs. Alice Reed, Mrs. F. L. Whitney, Mrs. P. H. Colling, Judge and Mrs. J. F. Hamilton, Philip Hamilton, Mr. and Mrs. A. E. Woods, Pauline and Harold; Mr. and Mrs. James Miller, Mrs. Carrie M. Hewes, Mrs. Roy Terry, all of Ontario; Mr. and Mrs. J. H. Balmat, Mrs. J. N. Higgins, Mr. and Mrs. D. N. Higgins, Mr. and Mrs. J. E. Hamilton, Mr. and Mrs. W. L. Williams, Mrs. J. T. Evans, Mrs. Hattie Peterson and Joe Peterson, all of Pomona.

Mr. and Mrs. C. O. Brott of Brookfield, Mo.; Mr. and Mrs. A. L. Wright, of Baldwin Park; Mr. and Mrs. Wm. H. Heady, Los Angeles; Mrs. Arthur Evans, Fontana; Mrs. Allen Reynolds, La Verne; Mr. and Mrs. C. C. Springer, Laws; Mrs. Emma Petschow, South Dakota; Dr. and Mrs. C. E. Maudsley, Riverside; Mr. and Mrs. P. E. Boyer and Wilfred Boyer, San Bernardino; Mr. and Mrs. George Hamilton, Claremont.

From Upland were Mrs. Sadie Benner, Mrs. Rose Burwell, Mrs. T. P. McNaul, Mrs. W. W. Phipps, Mr. and Mrs. George Dibble, Mr. and Mrs. Roscoe Dinger, Newton Echols, A. K. Rae, Mr. and Mrs. Harry S. Fies, Mr. and Mrs. H. J. Clewett, Mr. and Mrs. Leslie Strawn, and Mrs. Elizabeth Taylor.

Mr. and Mrs. Books Riggs and son Harry of Los Angeles, and the six sons and their families, including Mr. and Mrs. Melvin Riggs and Jimmie of Ontario, Fletcher Riggs of Riverside, Willis Riggs of Upland and Miss Pollyanna Riggs of Ontario, Mr. and Mrs. Carl D. Riggs of Upland and children, Carldine and Charline; Mr. and Mrs. Earl F. Riggs of Upland and daughters, Misses Geraldine and Virginia, and sons, Park and Bob, and Mr. and Mrs. Edwin Riggs of Ontario and their children, Doris, Margaret, Slara, Eddie and Lee.

Reciprocity Meeting Of Woman's Clubs Next Tuesday

One of the delightful events of the club year, the annual joint meeting of the Upland and Ontario Woman's clubs, is scheduled for next Tuesday, March 23, and a session of more than ordinary interest is looked forward to by members of both clubs.

The meeting will be held in the Upland Woman's club house and will open at 2 o'clock, with the Ontario club providing the program and the Upland club being hostess during the tea hour.

As program chairman for the visiting club, Mrs. Herschel R. Griffin is preparing a delightful program that will include several musical numbers by widely known artists, as well as other special features.

The tea hour also will be a delightful event, according to plans being made by the local club women.

Mrs. Ray R. Sherwood, president of the Upland club, is particularly desirous of having a large number of members of the local club present to greet the visiting club women.

Country Club Dance Saturday Night At Red Hill

Preparations are being made at Red Hill Country club for the monthly Saturday night dance to be held at the club house on the evening of March 20.

Members are requested to note the change in time of the dance, from March 27 to March 20. Good music will be provided for the dancing, which will begin at 9 o'clock.

Dinner reservations for that evening should be made with the office as soon as possible, and not later than March 19.

Club Members Attend County Meeting In Rialto

The meeting of the San Bernardino County Federation of Women's clubs held Wednesday in Rialto, was marked by two particularly interesting addresses, the speakers being Mrs. Leo Hedges, state motion picture chairman for the California Congress of Parents and Teachers, and Mrs. William S. Slayden, past president of the California Federation of Woman's clubs and at present national chairman of federation extension.

The meeting was conducted by the president, Mrs. Geo. S. Foster of Alta Loma, and opened with an interesting forum on gardens, conducted by Mrs. Francis S. Wagner of Alta Loma, county chairman of gardens and president of the Cucamonga-Alta Loma Woman's club.

Mrs. Hedges spoke during the morning hour, advocating more effective regulation of children's matinees, especially as to the type of pictures shown and the length of the program. Double feature programs and pictures with adult themes, she declared, are not conducive to the best interests of children.

Mrs. Hedges also told of very splendid educational pictures now being supplied for schools and civic organizations by the California Fruit Growers association and a California oil company, each giving interesting information concerning California.

During the business session Mrs. Foster spoke briefly concerning the supreme court issue, earnestly deploring the present effort to change its personnel. She urged the club women to write to Senators Hiram Johnson and Wm. G. McAdoo and to Congressman Harry R. Sheppard strongly protesting any change in the supreme court.

During the afternoon session Mrs. Slayden spoke of the great value of federation to the individual clubs and she gave interesting information concerning woman's clubs now functioning in foreign countries. There are many such clubs in various countries, she said, the membership being mostly American women, and they are affiliated with the General Federation of Woman's clubs in the United States.

Attending the meeting from Upland were Mrs. Ray R. Sherwood, Mrs. F. H. Mankey, Mrs. S. M. Jessup, Dr. Lillian F. Baxter and Mrs. Ben G. Hinton.

Uplario Club Meets For Luncheon at Hotel Ontario

Hotel Ontario provided the setting for the March party held Wednesday by members of the Uplario club, Mrs. L. E. Merrill and Mrs. Charles Bingle being the hostess committee.

An attractively appointed luncheon was served at the noon hour and afterward the guests gathered in a private sitting room for an afternoon of informal visiting, several of them finding profitable occupation with their embroidery and knitting.

Attending the luncheon party were Mrs. A. N. Baker, Mrs. H. C. Van Duzen, Mrs. J. L. Miner, Mrs. C. K. Francisco, Mrs. J. F. Salisbury, Mrs. L. N. Kirk, Mrs. Thos. W. Harris, Mrs. L. E. Merrill and Mrs. Charles Bingle.

Mothers Entertained By Girls League Of Junior Hi

Making special effort to entertain their mothers in delightful fashion and succeeding splendidly, members of the Girls League of the Upland junior high school were hostesses at the annual mothers and daughters party held Wednesday evening in the school building.

For the first part of the program the girls and their guests, numbering 165, gathered in the auditorium where Edith Hill, president of the League, extended a cordial welcome to the mothers and turned the meeting over to Betty Anne Horsch, program chairman.

Presiding in a way that might well be envied by more experienced adult masters of ceremonies, Betty Anne very cleverly presented the various entertainers.

Opening the program, the Girls Glee club of the ninth grade, directed by Miss Alma Stone, sang "Little Maids From School" and "Four Leaf Clover."

For half an hour a group of Meglin Kiddies from the Pomona studio entertained the audience with a varied program of clever singing, dancing, reading and instrumental music. Among the group was a talented little Kiddie from Upland, Joan Andreas, daughter of Mr. and Mrs. John Andreas.

Providing the more serious feature of the program, Mrs. Harriet L. Fleming of Chaffey gave a short talk on what mothers and daughters owe one another.

Concluding that part of the program, the Girls Glee club sang "St. Patrick's day."

Upon invitation of the girls the guests adjourned to the school cafeteria, which was gay with St. Patrick's decorations. On the tables at which the refreshments were served were bright green and white streamers and shamrocks, the music racks were wreathed with shamrocks and the green and white was used throughout the dining hall. The flowers that lent a touch of spring were yellow jasmine and white syringa. Pauline Jacobs was chairman of the decoration committee.

As the mothers entered the cafeteria and found their places at the tables, the girls string choir, directed by Charles Jones, played in greeting. A clever toast to the mothers was given by Marion Betz and Mrs. Arthur Pehl gave the toast to the daughters.

Pauline Jacobs, accompanied by Alice Hostetler, played a flute solo, "Godard's Allegretto."

Mrs. Clair E. Kirk gave a reading, "Cupid and Dicky," and the string choir followed with "Neapolitan Nights" and "John Anderson My Joe."

Accompanied by her mother, Mrs. J. Lynward Grahame, Lynette Grahame sang "When Irish Eyes Are Smiling," and Beverly Adelstein played a piano selection, "Minute Waltz" by Chopin. Mrs. Kirk gave a second reading, "Tom Sawyer's Love Affair," and Mrs. Edith Pittenger Rush, advisor for the League, told of the organization's activities and presented the 20 or more members of the council. The string choir concluded the program with "My Wild Irish Rose" and "True Hearts."

The refreshments were served by a group of sixth grade girls from the Fannie D. Noe school, all wearing green aprons and capes. They were Edna Shoemaker, Mae Eleanor Lidyard, Flora Masuda, Marjorie Dietrich, Mary Beitzell, Jane Cosly, Ruth Belcher and Patty Thomas.

The Girls Glee club members singing were Pauline Jacobs, Neoma McCoy, Betty Anne Horsch, Edith Hill, Roberta Manley, Ruby Royer, Elaine Evans, Ora Dee Alexander, Marion Betz, Ethel Jean Wilson, Leatrice Edwards, Doris Merchant and Alberta Derby.

In the string choir were Barbara Tuntland, Mabel Hames, Helen Dark, Mary Elizabeth Fraice, Evelyn Clewett, Lynette Graham, Miriam Settle, Eleanor Farmer, Virginia Jenison, Ethel Jean Wilson, Alice Rose Wilson, Penelope Dickens and Dorothy Hall.

Guests Brave Rain to Attend Affair at Country Club

Although the rain continued almost incessantly throughout the day, quite a number of members of Red Hill Country club gathered at the club house Tuesday for the first bridge luncheon of the spring season.

The St. Patrick's day motif prevailed in the house decorations and in the appointments for the luncheon tables. Mrs. Earl C. Thomas and Mrs. Beecher Hungerford were hostesses for the day.

Several hostesses entertained with small parties and a number of guests made up Dutch treat tables for the afternoon of bridge playing.

Chaffey Wives Guest Tea Is Delightful Spring Event

Making of their annual guest tea one of the most delightful social affairs of the spring season, members of the Chaffey Faculty Wives club and their guests were entertained Thursday afternoon at the home of Mrs. N. E. Trautman, 222 East H street, Ontario.

Since the speaker of the afternoon, Mrs. F. J. White of Upland, spent many years in China and selected as her topic, "Chinese Women, Old and New," the Chinese motif was used in all the decorations and appointments.

The spacious living room was made gay with jars of cerise peach blossoms and sweet peas in the same flaming shade.

The tea table was laid with an exquisite lace cloth and was centered with a bowl of white ranuncula and white candles. The fine porcelain used to contain the dainty Oriental confections were authentic Chinese pieces and real Chinese tea was served with the rice cakes and other sweets popular in China.

Mrs. Don F. Palmer and Mrs. Norman S. Lawson presided at the tea table.

Mrs. Geo. P. Weldon, president of the club, briefly outlined the history of the organization and told of the various interesting programs enjoyed during the past year. She then presented Mrs. Wiley W. Mather, who introduced the speaker.

Mrs. White, whose husband, Dr. J. F. White, was for years president of the University of Shanghai, has lived in China for about 30 years, and being a delightful speaker and having intimate knowledge of the Chinese people, she was able to make a most interesting address.

Nine of the club members were attired in Chinese costume, showing the evolution in Chinese dress from early times to the present day. Mrs. White explained the significance of the several costumes and she exhibited several hand painted scrolls and beautiful tapestries.

Hostess committee for the afternoon included Mrs. J. J. Cassidy, Mrs. Archie L. Moore, Mrs. A. C. Hargrave, Mrs. W. W. Cushing, Mrs. Geo. P. Weldon, Mrs. Harry Alter, Mrs. Harold W. Cook, Mrs. Wiley W. Mather, Mrs. N. E. Trautman, Mrs. James H. Paulin and Mrs. Harold Merchant.

Other members of the club and their guests attending were Mrs. Fred Wilding, Mrs. W. A. Hall, Mrs. Norman S. Lawson, Mrs. Rex E. Lawhead, Mrs. Ernest W. Fischer, Mrs. H. R. Stanford, Mrs. E. V. Wiseman, Mrs. Merton E. Hill, Mrs. O. E. Snyder, Mrs. McLaughlin, Mrs. Fred H. Jacobs, Mrs. Don E. Palmer, Mrs. Chas. J. Booth, Mrs. Alfred L. Davenport, Mrs. D. M. Latimer, Mrs. Chas. L. Turner, Mrs. Herbert S. Bailey, Mrs. C. W. Randall, Mrs. S. C. Lewis, Mrs. B. G. Klepper, Mrs. H. W. Pells, Mrs. Alexander Mendoza, Mrs. Burt H. Heiser, Mrs. Fred H. Clapp, Mrs. E. H. Moore, Mrs. Earl H. Johnson, Mrs. Karl Kaiser, Mrs. A. H. Powell, Mrs. H. W. Hawkinson, and Misses Joan Trautman and Betty Faith Moore.

Business Women Take Action Concerning Legislation

Combining the regular board meeting and the March club session, members of the Upland Businss and Professional Women's club met Tuesday evening at the home of Mrs. Marvin Wangler in Alta Loma. It had been planned to hold the meeting at the home of the president, Mrs. Vivian M. Santolucito on Foothill boulevard, Cucamonga, but at the last hour Mrs. Santolucito was called away on business and Mrs. Wangler opened her home for the occasion.

In the absence of the president and of the first vice-president, Mrs. Ernest Tweed Stone, who was ill, Mrs. Wangler, the second vice-president, presided during the executive session.

In addition to the routine business transacted, the club took steps to initiate a movement among the Business and Professional Women's clubs in California in support of the equal rights amendment now before congress. It is necessary in such cases for a resolution to originate in some local club before being presented at the state federation convention, and the Upland club was selected to start the resolution, which will be circulated among the clubs of the state before the date for the annual convention, the purpose being to urge congress to take favorable action on the pending equal rights bill.

The club members also were urged to write both as a group and individually, to the legislature opposing a bill that would prohibit all employed women from working more than 40 hours a week, regardless of the nature of the work or the circumstances. Business and professional women are strenuously opposing the bill, because it would leave men free to work longer hours when necessary and thereby make them more preferable to employers.

The club women are not opposing regulation of the hours of labor, but insist that such regulation apply alike to men and women.

At the conclusion of the board meeting a social evening was enjoyed and refreshments were served, St. Patrick's colors being used in the appointments and decorations.

Meeting of Wesleyan Service Guild at Olson Home

Beginning the meeting with a contributed dish dinner members of the Wesleyan Service Guild of the Methodist church, were guests Tuesday evening of Mrs. Ernest Olson at her home, 280 Eighth avenue. Mrs. John Jellison was assisting hostess.

Mrs. Earl L. Wenger, the Guild president, conducted a business session during which plans were made for a three-act play to be presented later in the spring as a benefit for the treasury.

For the program, Mrs. Leon Durham was presented and gave a most interesting account of her tour through inland Alaska last summer with Mr. Durham.

Members present for the meeting were Miss Lois Kent, Miss Janet Davis, Miss Hazel Miller, Mrs. Clifford Jellison, Mrs. Harold J. Stickney, Mrs. Henry Anderson, Mrs. Lee K. Bigley, Mrs. Earl L. Wenger, Mrs. Vernon Shifflet, Mrs. Vernon V. Paine, Mrs. John Jellison and Mrs. Olson.

Mr. and Mrs. Springer and their grandchildren recently returned to Upland from Mitchell, Neb., and Mr. Springer became ill soon after arriving here. His son, Arlon Springer, who was called here from Mitchell when his father's condition became serious, has returned home. Mr. Springer is now able to see his friends for a short time.

Request to Cancel Veterans' Taxes Is Studied by Council

Laid on the table by the city council for action April 1 was a request last night from the Veterans' Welfare board to cancel taxes on property owned here by the board. It's an annual request from the board and it has been the policy of the council to deny the request.

The board has a policy of loaning money to war veterans for the purchase of ranches or homes. When taxes become a lien on the property, the board asks for cancellation.

The request was given consideration at the council meeting last night but action was delayed.

Sewing Project Will Be Continued Here

The sewing project in Upland will be continued as a WPA project as the result of a new allocation of funds. Nine other such projects elsewhere in the county will also be continued. Several wood cutting projects will also be continued as the result of the new appropriation.

The local sewing project is located in the building formerly occupied by the Safeway store on East Ninth street.

Many persons in Upland listened by way of radio to the mysterious return of the swallows to their summer home in the eves of San Juan Capistrano mission. As far back as records go the swallows have returned to the mission on St. Joseph's day, March 19, of each year without fail. Mrs. Roy Creighton and Mrs. Perry O. Long went to the beach Thursday afternoon and remained over night in order to reach Capistrano in time to see the return of the birds.

Mr. and Mrs. W. T. Schaffner, 970 West Eighteenth street, had the pleasure of entertaining a number of relatives during the past several days. They were Mrs. Schaffner's brothers-in-law and sisters, Mr. and Mrs. O. C. Finkenbinder of Minneapolis, Minn., and Mr. and Mrs. Ed. Schuler of Pearl City, Ill.; also her nephew and niece, Mr. and Mrs. Ralph Mahoy of Mt. Morris, Ill. CHAFFEY SINGERS LEAVING ON TRIP

A Cappella Choir Will Sing—Other News From Campus Activities

Best musicians on the Chaffey campus will leave tomorrow on a tour that will take them as far north as San Francisco. In the Bay City the a cappella choir will appear on the program of the California-Western School of Music convention. The group, numbering nearly 100 students, will go north by school busses and will include the orchestra. They will return next Thursday included.

In addition to appearing on the convention program the choir will sing before several groups in San Francisco and at a church program in San Mateo. Accompanying the student musicians will be Mr. and Mrs. S. Earle Blakeslee, Murray Owen and Herbert E. Gray, all of the Chaffey musical department.

The choir has been singing on Sunday afternoons over the Mutual Broadcasting Co. network from the KHJ studios. Proceeds from these radio appearances will be used to partly defray expenses of the trip.

Speech Contest Held

In the high school declamation contest Hugo Larson was first with "The Cross of Gold" speech by William Jennings Bryan.

Dean Phillips was second with Daniel Webster's speech in the White murder case, and Robert Gray was third, his declamation being President Roosevelt's speech at the rededication of the statue of liberty.

Judging was on the basis of memory, voice, interpretation and general performance of the speakers.

Band to Appear Soon

Garbed in their new uniforms, the Chaffey band will appear for its first public concert April 1. Much interest is being shown in the musicians as well as in their bright new uniforms.

Students in the Upland district distinguished themselves by their scholastic records for the first term. Highest number of honor society points was made by Virginia Adams, Kathryn Krysto and George Dirthridge and Prudence Relph.

ORCHARD HEATERS TO BE DISCUSSED

"Clearing Away Smoke" Will Be Subject on Radio in Broadcast Tonight

Smokeless smudge pots will be the subject of the first in a three months series of weekly broadcasts to be sponsored by the University of California Agricultural Extension Division over KFXM, San Bernardino. These programs will be heard every Friday night from 7:15 to 7:30 p.m. beginning tonight, with the title "Clearing the Smoke Away."

The first broadcast will give the results of experiments conducted by Warren R. Schoonover, specialist in Agricultural Extension work at the Riverside Citrus Experiment station. This research work, at a cost of $20,000, was designed to find the best and, at the same time, least expensive, method of ridding California from damaging and unpleasant "smudge" belching from the thousands of orchard heaters operating during cold spells and freezing weather.

Relief Corps Holds Regular Meeting in Legion Club House

Thirty-three members of the Woman's Relief Corps met Thursday afternoon in the Ontario American Legion hall and held a regular session, with several items of business being given attention.

The meeting was conducted by Mrs. Nellie Gorham, the president, and greetings were extended to the one visitor present, Mrs. Ida Hoft of Wall Lake, Iowa, who is a past president of the W. R. C. in her home town. Mrs. Hoft is a guest of her sister, Mrs. C. D. Daniels of Upland.

Committee reports showed 185 calls had been made during the month and welfare work done to the value of $25. Mrs. Emma Corkhill of Ontario was initiated as a new member of the corps.

It recently became known to the corps that the body of a Union soldier had been moved from an abandoned cemetery and placed in the potter's section of Bellevue cemetery, and at the meeting yesterday it was voted to have the body removed to a private lot in the cemetery and to mark the grave with a stone.

Mrs. Moffitt Presents Second Review to Large Audience

Again delighting a large audience that gathered Wednesday afternoon in the Upland Woman's club house, Mrs. Jennibelle Moffitt presented the second in the series of book reviews she is giving under the auspices of the Frances Paul Girls class of the Presbyterian church.

In presenting Mrs. Moffitt, Mrs. G. A. Brest, president of the club, announced the third and last review of the series will be given on Wednesday afternoon, April 21, in the Woman's club house.

In her very charming and clever manner, Mrs. Moffitt gave comprehensive reviews of several of the current best sellers, among them being "The Silver Stampede," Neill Wilson; "The Girl Who Wanted Experience," Lee Shippey; "The Sea of Grass," Conrad Richter, and "Nine Old Men," by Pearson and Lee.

Those who have heard Mrs. Moffitt in one or both of the two reviews already are looking forward with pleasure to hearing the third review of the series.

Entertaining in honor of their relatives, Mr. and Mrs. Carl Poppen of Peoria, Ill., who arrived here last week end, Mr. and Mrs. Harry W. Flowers were hosts at an informal dinner party given last night at Red Hill Country club, a delightful evening being enjoyed.

The other guests, most of whom are cousins of Mrs. Poppen, were Mr. and Mrs. Glenn Kelley of Los Angeles, Miss Virginia Madison of Claremont, Mr. and Mrs. Dale Kelley, Mrs. C. S. Kelley, Wayne Kelley, and Mrs. O. E. Webb of Milliken, Colo., who is the house guest of Mrs. C. S. Kelley.

MRS. SARAH REDMON DIES IN COLORADO

Mother of G. T. Redmon Passes After an Illness of Several Weeks

Mrs. Sarah Redmon, who had been ill for a number of weeks at the home of her son-in-law and daughter, Mr. and Mrs. H. L. Harlan, in Englewood, Colo., a suburb of Denver, passed away there at 5 o'clock Wednesday afternoon, announcement of her death bringing sorrow to many friends here.

She was the mother of G. T. Redmon, 604 East Arrow highway, and when she suffered a paralytic stroke several weeks ago Mr. Redmon went to Englewood and spent a week with her.

Mrs. Redmon was born in Wapello county, Iowa, and was 76 years old. She had lived in Upland for 31 years and was a member of the Upland Methodist church and of Upland chapter, Order of Eastern Star. She was widely known throughout the Upland district and was held in warm affection by scores of friends. Always kindly and cheerful, she maintained a keen interest in the welfare of her friends and in public affairs of the day, and the passing years had never dimmed her ready smile.

She often spent the summer months with her daughter in Colorado and when her health began to fail last August she left her home on Sixth avenue and went to Englewood to reside.

Besides her son in Upland, she leaves two sons, Arthur Redmon in Los Angeles and Joe Redmon in San Francisco; a sister, Mrs. M. J. Roberts in Upland, a brother, Dr. Edward Sheafer in Ottumwa, Iowa, and six grandchildren.

Funeral service was conducted at 2 o'clock this afternoon in Englewood, with a Methodist minister and the Order of Eastern Star officiating. Burial took place at Littleton, a short distance from Englewood.

Jure Gets Decision In Match With White

Bill White of San Bernardino and Everette Jure of Redlands put on another of their famous "grudge battles" Wednesday night with Jure getting the four-round decision in the main event at the Ontario Legion arena.

In the second main event, Tony Mendez of Ontario dropped a close decision to Richard Lemon of Los Angeles.

Results of other bouts on the card, all four-round decisions, follow:

Julian Estrada, San Bernardino, won over Clarence Montgomery, Los Angeles; Tommy Warren, San Bernardino, defeated Duke Hayes, Los Angeles; Jesse Alfaro, Riverside, defeated Walter Jones, Los Angeles; B. Jiminez, Ontario, defeated Gene Dagupa, Los Angeles; Joe Guerrero, Riverside, defeated Phil Carreron, Los Angeles, and Jack Smith, Los Angeles, defeated Ed Baker, Ontario.

Brethren in Christ Series of Meetings Will Close Sunday

The series of evangelistic meetings that have been in progress at the Brethren in Christ church since last Sunday, have drawn a large attendance and a great deal of interest has been manifest, making the meetings well worth while.

The services are being conducted by the Rev. W. L. Reighard of San Francisco, who is an able preacher.

The series will be brought to a close Sunday with services being held at 11 a.m. and 7:30 p.m. The other usual services will be held.

Helen Clarke Given Happy Birthday Celebration

Helen Clarke's tenth birthday anniversary proved an important occasion for her and a number of her friends, when her mother, Mrs. A. B. Clarke, gave a party in her honor Wednesday, March 17, at the family home, 546 Campus avenue.

Spring-time blossoms were used throughout the rooms and graced the table at which tempting refreshments were served.

During the afternoon an interesting program of tap dancing, singing, piano numbers, etc., was enjoyed.

Attending the party besides Helen, were Dale Goodban, Steve Henderson, Tommy Thomas, Stanley Gunstream, Jeanne Kirk, Helen Owen, Helen Mark, Elsie Alderfer, Marilyn Jenison, Marjorie Dowse, Ruth Smith, Juanita Brewer, Thelma Lamphear, Bruce Clarke, Betty Fae Francisco, Mrs. DeVon Francisco, Mrs. J. F. Hamilton, the latter of Ontario; Mrs. Florence Dowse and Mrs. Clarke.

EASTER SERVICE TO BE HELD IN CANYON

West End Churches To Unite In Sunrise Services at Camp Baldy

Easter sunrise service for the several West End communities will be held again this year at Sunrise Point, about a quarter of a mile above Camp Baldy, according to plans made by the Ontario-Upland Ministerial Union.

The service will begin at about 7:15 on Easter Sunday morning. Since Sunrise Point is shadowed by Ontario peak in the early morning, the sun rises for that particular location later than at most of the other places where Easter sunrise services are held.

For the service held there last Easter about 400 persons were in attendance and an even larger number is expected this year.

The program arranged for the service follows:

Music before sunrise, by the Camp Baldy orchestra, "The World Is Waiting for the Sunrise."

Bugle call—Bert Swain.

Salutation to the dawn, Edgar E. Wight and Donald Wight, trumpeters.

Call to worship, Rev. Lester Hostetler, pastor of Upland Mennonite church.

Song by the congregation, "The Church in the Wildwood."

Reading, "God of the Open Air," (Henry Van Dyke), by Miss Winifred O'Brien.

Congregation led in the Lord's Prayer by David A. Curry.

Responsive reading, led by Rev. Lester Hostetler.

Song by Beulah college quartet.

Prayer by Dr. Raymond Anger, First Baptist church in Ontario.

Hymn by the congregation, "Christ Arose."

Easter message by the Rev. Arthur E. Schultz, pastor of Ontario First Methodist Episcopal church.

Song by Beulah college quartet.

Hymn by the congregation, "In the Cross of Christ I Glory."

Benediction by Dr. R. C. Stone of Upland.

Chaffey Press Club Hears French Tell Of German Papers

Always an important event for the Chaffey Press club is the annual banquet, which was held on Wednesday night in the Claremont Inn. Its members include present and former journalism students.

Roy French, head of the U. S. C. journalism department, who was in Germany last summer, revealed his observations. The free press is a thing unknown in Germany, he said, all news and editorials being controlled by Hitler's government with an iron hand.

Lambreth Hancock, former editor of the Chaffey Press, student paper and president of the club, presided. Gardiner W. Spring, editor of Chaffey junior college, Charles J. Booth, director of publicity, and Miss Mabel Stanbridge, journalism instructor, spoke briefly.

Ray Phillips of Upland, president of the club, announced that Chaffey's publication had won first place in its division in the contest conducted by Columbia university's school of journalism.

Winifred O'Brien, editor of the Argus, jayvee annual, and Dorothy Thompson, an alumnus, were among the other Uplanders in attendance. Newspapermen of the Chaffey and Pomona district were guests of the club.

THINGS THAT NEVER HAPPEN

PARALYSIS FUND DANCE IS PLANNED

Benefit Event in Spring to Provide Money for Hospital Work

Due to the fact the birthday ball, scheduled here for January, was indefinitely postponed, plans are being considered for a benefit dance to be held this spring. Dr. A. A. Aita, who was chairman of the committee planning for the January dance, said that a date will be announced soon for the benefit event.

All net proceeds of the dance will go to the anti-paralysis fund at the San Antonio Community hospital. The local institution keeps serum in readiness for use in combatting infantile paralysis. It was the plan in the January dance for most of the proceeds to go to the hospital fund. A small part of the January dance profit would have gone to the Warm Springs foundation, a project sponsored by President Roosevelt for the prevention of infantile paralysis.

The hospital has no regular source of income with which to provide the anti-paralysis serum and Dr. Aita is looking to the spring benefit dance to provide needed funds. Dr. Aita postponed the birthday ball in January due to the orchard heating activities.

7:00—Three discussion groups. Note the change of hour for this one Sunday evening.

8:00—"The Seven Last Words," by DuBois, will be sung by the Upland Oratorio society, under the direction of Rev. Lester Hostetler. James E. Goodban is the president of this splendid musical organization.

Good Friday worship services will be held in the Upland Methodist church on Friday afternoon March 26, at 3 o'clock.

Strangers and visitors always welcome.

Holy Week Services At Mennonite Church

Special devotional services will be held at the Mennonite church each evening next week from Tuesday to Thursday, beginning at 7:30 o'clock. The pastor, Rev. Lester Hostetler, will speak on the seven words of Christ from the Cross. The Oratorio society will sing "The Seven Last Words of Christ," by Dubois, on Friday evening. Following will be the week's program:

Tuesday—"Father, Forgive Them," "Today Thou Shalt Be With Me in Paradise."

Wednesday—"Behold, Thy Mother," "My God, Why Hast Thou Forsaken Me?"

Thursday—"I Thirst," "Father, Into Thy Hands I Commend My Spirit," "It Is Finished."

Friday 10 a. m., German services; 3 p. m., united Good Friday service at the Methodist church. Rev. Rex Lawhead will preach. 7:30 p. m., the Upland Oratorio society will present Dubois' "Seven Last Words of Christ."

The public is invited to any or all of these services.

Special Services on Palm Sunday Planned

Special Palm Sunday services will mark the opening of Holy Week at St. Mark's Episcopal church, according to an announcement by the rector, the Rev. Geo West Barrett.

Holy communion will be celebrated at 8:00 a. m. followed by Confirmation instruction at 9:45 a. m. The mid-day service at 11 o'clock will include the reading of St. Matthew's account of the Passion of Christ and a sermon by the rector entitled "Avoiding Temptation and Evil," in a series on the Lord's Prayer. The choir will sing "The Palms" (Faure) with Edmund Williams as the soloist.

Special Service by Evangelist Tonight At Nazarene Church

The special revival services that are being held at the Upland Church of the Nazarene are attracting large attendance and much interest is being shown in the plain gospel preaching of the evangelist, the Rev. Stella B Crooks.

Tonight there will be a special service conducted by the Rev. Mrs Crooks, who will relate many of her interesting experiences as she preaches a convincing sermon.

Sunday night will bring to a close this series of revival meetings and the pastor, the Rev. John P. Mandtler, extends a special invitation to the public to attend the closing services of the campaign.

The Goodwill truck will be making collections Fridays. Calls on request only. Send card, 129 East A St., Ontario; phone 618-102.—adv. 58-EOT

Memory of George Chaffey Is Honored

Memory of George Chaffey was honored by Chaffey students in ceremonies on the campus Wednesday. Fifty-four years ago the late Mr. Chaffey founded the institution and that anniversary was the occasion for the program.

Flowers were placed on Mr. Chaffey's grave in Bellevue cemetery by Margaret Harms, Helen Ruth, Mary Davenport and Gwendolyn Wight, representing the Panther club, women's service organization.

In connection with the anniversary program, Chaffey students unveiled and dedicated a plaque honoring the memory of Gavin Herbert, 1935, student body president, who was killed in a spray rig accident.

Chamber Will Give Ontario Support in Celebration—Kite Tourney Soon

That Upland should join with Ontario in support of the annual Armistice day observance in the Chaffey district is the belief of the Upland chamber of commerce directors. In a directors' meeting Wednesday morning the chamber officials voted to offer their assistance to Ontario's Armistice day committee.

The chamber directors also went on record as strongly endorsing the proposed traffic school.

Eighth annual kite tournament for school children of the Upland district will be sponsored by the chamber. Decision was reached at the meeting to sponsor the event with cash prizes to be presented winners in the various divisions.

Appropriate celebration will be conducted at the time of the completion of the new Santa Fe depot. L. A. Fox reported on possible features for the occasion. Upland 20-30 club is working with the chamber in sponsoring the celebration, which will probably be held in May.

Baseball equipment on the Upland junior high school grounds will be removed under direction of the chamber.

The meeting was held in the Upland Inn with President Dr. Earl L. Wenger presiding. Others present were Allan S. Barr, L. A. Fox, Howard N. Mason, Glenn M. Atwood, Earl E. Hawthorne, A. Bradford Whitney and Secretary Vernon V. Paine.

Etiwanda

ETIWANDA, March 19.—The monthly meeting of the Etiwanda P.-T. A. and annual election of officers were heldin the school house Wednesday afternoon. Annual reports of the year's work were given by chairmen of standing committees. Officers elected for the coming year are: President, Mrs. J. R. Pearson; vice persident, Mrs. Chas. Donnelly; secretary, Mrs. M. B. Hickcox; treasurer, Mrs. R. L. Hickcox; historian, Mrs. A. Werner. Mrs. T. L. Johnson of Ontario, fourth vice president of Fifth district, in a very impressive ceremony installed the new officers. The outgoing president, Mrs. A. A. Werner, was delightfully surprised by the presentation of a past president's pin, the presentation being made by Mrs. R. L. Hickcox, who has served as vice president the past two years. Lovely corsages were presented the officers and Mrs. Johnson by the flower committee, with Mrs. Will C. Pearson chairman.

Mrs. E. E. Clark underwent an operation for the removal of a cataract on one of her eyes at the Pomona Valley hospital Wednesday. The operation was believed successful. Both eyes are affected, but only one was operated upon at this time. She will remain at the hospital about ten days. Many friends here will rejoice with her at the restoration of her sight.

Mrs. C. A. Fleming attended the senior tea at Chaffey high school Wednesday afternoon.

Miss Catherine Johnston is quite ill at the home of her sister, Mrs. C. C. Brownless. Miss Johnston has been making her home with her niece, Mrs. Katherine Carr, in Los Angeles, but was brought to the Brownless home Sunday.

Mrs. John Frost, Mrs. Stanford Shaw and daughter Leila motored to San Marino Wednesday to visit Mrs. Lyman P. Robertson.

Miss Sarah Leadley and Chas. Leadley of Los Angeles called on Mr. and Mrs. A. A. Werner Tuesday.

E. C. Appel, who had been a patient in the San Antonio Community hospital in Upland for a couple of weeks, was brought home Sunday and is convalescing satisfactorily.

Rainfall here added 2.70 inches to the season's total this week, bringing the total to date to 32.82 inches, as compared with 13.35 inches at this time last year.

Mrs. Inglehardt is ill this week at the home of her daughter, Mrs. T. G. Appel.

The annual father and son banquet will be held in the dining hall of the Community church this Friday evening. An interesting program has been prepared, the principal speaker being Prof. Willis N. Kerr, librarian of Claremont colleges, his subject being "The Romance of Stamps." The dinner will be served at 6:45 p. m. by the first section of the Ladies Aid society.

The season of Holy week will be observed at the Community church in the customary fashion, being introduced by the Palm Sunday service Sunday morning. "The Palms" will be sung by Judge Donnelly and the choir, while the minister will preach upon "Lessons From the Triumphal Entry." On Thursday at 7:30 o'clock in the evening the Lord's Supper will be observed. Easter will occur on March 28 and will be celebrated in the local church with services of special interest.

NOTICE OF TRUSTEE'S SALE

Whereas, default has been made in the payment of the indebtedness secured by, and in the performance of the covenants contained in that certain trust deed dated January 7, 1936, made, executed and delivered by H. Joseph Marshall and Bessie L. Marshall, his wife, as trustors, to CORPORATION OF AMERICA, a California corporation, as trustee for BANK OF AMERICA NATIONAL TRUST AND SAVINGS ASSOCIATION, a national banking association, beneficiary, which trust deed was recorded on January 18, 1936, in book 1107, page 471, Official Records of San Bernardino County, California; and

Whereas, on November 13, 1936, Bank of America National Trust and Savings Association, the owner and holder of said deed and the debt secured thereby, applied to and directed said trustee in writing to execute the trust by said trust deed created, and to make sale pursuant thereto; and

Whereas, notice of such breach of the obligations of the trustors and of the beneficiary's election to cause to be sold the property below described to satisfy said obligations has been recorded as is provided for by law, and more than three months have elapsed since such recordation and the trustee deems it best to sell the real property now remaining subject to the trust deed as a whole, in order to fulfill the purposes thereof.

Now therefore, notice is hereby given, that on the 19th day of April, 1937, at the hour of 11 o'clock in the forenoon, at northern entrance to the County Court House, situated in the city of San Bernardino, San Bernardino County, California, CORPORATION OF AMERICA, as trustee, under and pursuant to the terms of said trust deed will sell at public auction to the highest bidder for cash (PAYABLE AT TIME OF SALE IN GOLD COIN OF LAWFUL MONEY OF THE UNITED STATES) all the interest conveyed by said trust deed in and to the following described real property situated in the city of Upland, county of San Bernardino, state of California, and more particularly described as follows, to-wit:

The East one-half of Lot 645, according to Map of Ontario, in the City of Upland, County of San Bernardino, State of California, as per plat recorded in Book 11 of Maps, page 6, records of said County.

Together with Five (5) shares of the capital stock in San Antonio Water Company.

Together with all other rights of every kind and nature, however evidenced, to the use of water, ditches and canals for the irrigation of said premises to which the trustors of said premises are now or may hereafter become entitled, and also together with all shares or rights, whether represented by certificates of stock or otherwise, in any canal company or water user's association attached to said land for the benefit thereof, now owned or hereafter acquired by said trustors.

ANGELS WIN WITH THREE MORE GAMES ON THIS WEEK END

Portland Ducks Lose 13 to 3—White Sox Coming Saturday and Sunday

Their first local game with a Pacific Coast league opponent favoring them 13 to 3, the Los Angeles ball club is playing the Portland Ducks, in the second game this afternoon. The first game was played yesterday on the diamond at the Ontario baseball club.

Coming tomorrow will be the Chicago White Sox. This game will start at 2 p.m. The White Sox and Angels will also play Sunday afternoon. During most of next week the Angels will play exhibition games elsewhere than on the Ontario diamond, returning here Saturday, March 27, for a game with the White Sox. The Angels and Pittsburgh Pirates will play here March 28.

R. Ross Kincaid of Cucamonga Dies at Hospital Thursday

Succumbing to a heart ailment from which he had suffered for some time, Madison Ross Kincaid, well known resident of Cucamonga, died Thursday morning at the San Antonio Community hospital, at the age of 61 years.

Mr. Kincaid was born in San Antonio canyon and with the exception of the time he lived in Los Angeles when he was a member of the police force from 1903 to 1926, he had spent his life in Cucamonga. He was a member of the Independent Order of Foresters.

Mr. Kincaid was the father of Mrs. Edna Bischoff and Mrs. Frieda Burmahlm of Los Angeles. He also leaves three brothers, Walter E. Kincaid of Upland, Sterling P. Kincaid of Cucamonga, and Thomas T. Kincaid of Los Angeles, and a sister, Mrs. Stella Guthrie of San Bernardino.

Funeral service will be held at Draper's Ontario chapel at 10 o'clock Saturday morning.

Bacon Drives Car Underneath Tanker, Suffers Fracture

Miraculously escaping death, Glen Bacon, Ontario, came to a stop in his automobile underneath an oil tank on the Union Pacific tracks in Ontario. The accident occurred at midnight while the train was standing across the Vine avenue right-of-way.

Bacon failed to see the train until too late, according to reports. The front end of his machine scraped under the tank car. The driver suffered a fractured nose and jaw and severe lacerations.

Cucamonga-Alta Loma

Club Hears Mrs. Goodban

A discussion of more than ordinary interest to the club women was the feature of the program presented by the Cucamonga-Alta Loma Woman's club Thursday afternoon, when Mrs. W. F. Goodban of Upland appeared as the speaker.

The meeting was held at the home of Mrs. Charles Beckley, 595 East Nineteenth street, Alta Loma, with Miss Mary Albert being assisting hostess.

Following the business session which was conducted by the club president, Mrs. Francis S. Wagner, Miss Alice Hostetler of Upland was presented by the club music chairman, Mrs. Wallace Stoebe, and played a group of piano numbers, some of them being Irish selections.

Mrs. Goodban has made a special study of the constitution and she gave an interesting history of the great document, speaking of the high American ideals it embodies and telling something of its origin and adoption.

Provisions of the Bill of Rights were explained by Mrs. Goodban and she discussed at length the form of government set up by the constitution, outlining the duties and privileges of the three distinct branches, the legislative, the executive and the judicial. Referring to the present supreme court controversy, Mrs. Goodban expressed strong disapproval of the attempt to enlarge the court personnel.

At the conclusion of her address a number of questions were asked and interesting discussions developed.

Concluding the program, Miss Kathleen Beckley favored the club women with a song.

For the very pleasant tea hour at St. Patrick's table was arranged, the decorations being clusters of green candles and white flowers. The St. Patrick's motif also was used in the table appointments and the confections served with the tea. Mrs. Arthur H. Bridge and Mrs. Ray R. Ford presided at the tea tables.

Announcement was made that the next meeting will be held on Thursday, April 1, at the home of Mrs. E. R. Hively with Mrs. Harold Hively being the hostess. At that time the club members will hold a bridal gift shower for one of their members, Miss Wava Hively, who is to be an Easter bride.

Operetta Given by Grade Children Is Successful Event

Children of the Fannie D. Noe school, representing all grades below the sixth, highly entertained a large audience that filled the school auditorium Tuesday evening, when the annual spring operetta was presented.

The musical play given was "The Early Bird Catches the Worm," and the scores of characters in various clever and unique costumes, sang and frolicked their way through the production in a way that delighted their audience.

Miss Evelyn Cross, school music instructor, rehearsed the children in the musical numbers, with Miss Elizabeth Hudson playing the accompaniments. Mrs. Rose Josnston was in general charge of the stage settings and Mrs. Owen E. Atwood directed the making of the costumes, with all of the teachers and a number of the mothers assisting in all phases of the preparations necessary for the elaborate production.

According to the verdict of the audience the operetta was one of the most successful ever presented at the school.

EUCLID RESIDENTS PROTEST STATION

Many Express Views at Public Zone Law Hearing Opposing Change

(Continued from Page One)

Avenue Improvement association: "It is strange that once this property has been zoned we have to go all through this again. Almost everyone on Euclid avenue is in favor of the zoning."

Dr. A. L. Webber: "When buying property in the original Strong tract, we were told business would not be allowed. I feel that these men are breaking faith with the intent of the deeds."

G. A. Hanson: "I have been here nearly 50 years and have seen those Euclid avenue trees grow up. I think it is a 'damn shame' if the council will permit the station."

Earl W. Paul: "It is dangerous to start any amendments to the zone law for any particular group."

Mrs. Isabelle Scott: "When the men bought the Strong property they knew the zoning law was in force."

Others present at the public hearing were Mr. and Mrs. Leon Durham, Mr. and Mrs. Lewis Westerburg, Charles J. Coe, Kenneth I. Hanson, Allan S. Barr, William Mason, Mr. and Mrs. Walter Welge, Mrs. George Stamm, Mrs. Charles Baeuerlen, Judge D. J. Burlingame, J. B. Browning, Captain M. L. Gottfried, William Springer and Miles Harnly. The city council was also present. After adjournment of the hearing the council returned to their meeting place and voted to deny the request for a change in the zoning law.

Holding of the public hearing was required by law.

SENIORS PRESENT "SEVENTEEN" TWICE

Three-Act Comedy Will Be Given in Chaffey Auditorium Two Nights

Annual stage presentation by the Chaffey senior class comes tonight and tomorrow night in the Chaffey junior college auditorium.

"Seventeen," three act comedy, will delight large audiences according to reports from those who have seen the Chaffey seniors in rehearsal. Mrs. Ruth Tremaine Kegley, dramatics coach, has united one of the best casts ever at Chaffey for presentation of the comedy from the pen of Booth Tarkington.

Sally Toomey will have the leading role in tonight's performance and tomorrow night Malyn Bradley will play in the lead. They will share in the portrayal of "Lola Pratt," who "never includes a girl in her conversation when there are boys present." Don Milliken will be prominent in his portrayal of "Joe Bullet," one of Lola's admirers.

Others in the cast are Walter Mertz, Edwin Buffington, Walter McArthur, Majorie Faulkner, Hugo Larson, Harold Salisbury, Barbara Leigh Grass, Louise Fietz and Floyd Tift.

The theatre orchestra, directed by Murray Owen, will play prior to start of the performances and during the intermissions.

TIGERS IN WIN TO CLOSE HOOP PLAY

Chaffey Outplays Pomona—Tigers Going to Southland Track Meet

With an impressive finish to the basketball season, Chaffey high school athletes and their big brothers at the junior college are today looking to the cinder path and the ball diamond for activities.

By a 48 to 25 score, Chaffey Tigers decisively trounced their rivals from Pomona on the Chaffey floor Wednesday night. This was the final hoop game. On the basis of the Tigers' performance local fans are up against it to answer the question: "Why didn't Chaffey win at Pomona a few weeks ago?" The Tigers were outstanding in their fade out hoop performance. The win, nevertheless, gave Chaffey a tie with Pomona for the C. B. L. title. Juniors on the hoop squad get the major credit for the smashing win. This junior squad will be back probably 100 per cent for the 1938 season.

The annual Southern Counties track meet will be at Huntington Beach tomorrow and Coach "Pop" Kegley will take along a fast crew of Tigers.

The boys who are going Saturday and the events they are in are listed as follows: In both the 120-yard high hurdles and the 220-yard low hurdles are Utman and Hall; in the 100-yard dash, Sible and Bailey; in the 220-yard dash, Parker and Carter; in the 440, Edmisson and Bovee; in the 880, Thomas, Barnhold and Kroll; in the mile, Runner and Holst; in the pole vault, DeBerard, Doll and Darnell; in the high and broad jumps, Sible and Shoji; in the shot put, Craig, Harms and Christensen; in the 880-yard relay, Bailey, Franklin, Utman and Sible.

In Riverside, Chaffey Panthers will be participating in the first junior college track meet. The squad is the strongest in several years and Coach Ernie Payne is anticipating bigger Panther scores than last year.

Among those expected to shine are Captain Leonard Smith, Till Casaletti and Douglass, hurdlers; Robert McCutchen, Vincent Couch, D. Mears and C. Dillan, sprints; Donovan Schowalter, McCutchen and H. Harris in the 440-dash; Gerald Holsclaw, S. Fairburn, B. Beal, R. Martara and D. Warner, half-mile; Arthur Bridge, two-mile, and Francis Johnson and D. Swearingen, weight events.
